3pm : Sunday 23 February 2014
FUNdraiser to support the programs of our very own Rotary Foundation.

My Booking Manager is now being used by Rotary Clubs across Australia to manage all manner of online bookings and payments.

- It is easy for Clubs to use
- It is easy for the Public to Register / Pay

Each individual booking form you create has its own **unique web link** that you can either email to potential registrants or include on your website.

Promote online booking on all your Posters and Advertisements.

Today, our public expect to do more online using their laptops, tablets, portable devices and phones. **My Booking Manager** can be accessed by all devices - including PC's & Macs.

No limit to the number of active booking forms open at any one time.

Huge Time Saver for club members running events, because the system collects each registrants information automatically, then auto-receipts them by email AND just before your event, auto-reminds attendees to come.

Outdoor Events are a huge winner. Reduce risk of bad weather days. You sell your tickets and collect the money in advance. So IF your public at the last minute choose not to attend for ANY reason, it is their choice to forfeit their tickets - but your Club already has the security of their money in your Club bank account.

Economical - Rotary Club Special Rate guaranteed to **June 2015** is 90 cents + GST per booking. This is about one Third of **My Booking Manager's** commercial rate as their way of supporting Rotary.

My Booking Manager Membership - \$275 + GST
This membership fee is a Once Only investment. After that, you're a member for life. **NO set monthly fees. NO set annual fees.** Always at your disposal. Note that for months that your Club has no event or payment forms active - there are NO charges to pay.

Open a **FREE PayPal Merchant Account**, and within 5 Days, you can have a fully functional system accepting VISA, Mastercard, AMEX and PayPal to PayPal Account Transfers. **So economical. So Easy.**
